The national team classification is based on individual results of players representing their national federation.

The best 3 players from one country in the final classification obtain points in each age group, the calculation is done by percentage score + bonus points for top 10 places (bonus points exactly like in World cup: 1<sup>o</sup> 100, 2<sup>o</sup> 70, ..., 10<sup>o</sup> 20). Example - 6 points out of 9 rounds and 21st place gives 33 points for the country. 1st place with 15 points gives 183 points (100 + 83). There will be two different classifications in classic and in rapid & blitz tournaments, in each classification results of Boys and Girls groups will be counted together.
