## Technical details

---

11. Number of rounds to be confirmed by the main referee in the technical meeting.
12. The official software Draughts Arbiter will be used.

## National team classification

---

13. The national team classification is based on individual results of players representing their national federation.

13.1. The best 3 players from one country in the final classification obtain points in each age group, the calculation is done by percentage score + bonus points for top 10 places (bonus points exactly like in World Cup: 1<sup>st</sup> - 100, 2<sup>nd</sup> - 70, ..., 10<sup>th</sup> - 20). Example - 6 points out of 9 rounds and 21st place gives 33 points for the country. 1st place with 15 points gives 183 points (100 + 83).

13.2. There will be separate classifications in classic, blitz and rapid championships, in each classification results of boys and girls groups will be counted together
